

## ROYAL ACADEMY OF DANCE EXAMINATION - 2019 REGISTRATION

Royal Academy of Dance (RAD) examinations are designed to motivate and encourage students of all ages and levels of ability through a systematic measurement of progress and attainment. Consistent class attendance and RAD coaching classes prepare each student for their examination. Students strive to achieve their personal best during a solo performance before a highly qualified independent examiner.

RAD examiners follow time-tested quality assurance procedures. Each student is graded against a set of assessment criteria specific to their examination. Miss Ellen will meet with each student and parent to review examination results after they are received from the RAD.

Students are required to attend coaching class on May 5 and 19, 2019 and a mandatory mock examination on June 2. Failure to attend any of these will result in exclusion from the final examination. Parents are cordially invited and encouraged to observe the mock examination. The final examination will be held Wednesday, June 5.

Registration and payment of fees (\$400) are due by Monday, October 22. Fees are not refundable.
